Subject: Veterans Program Manager (PPM III) - Job Opportunity!!!

Dear Colleague:

King County values its employees, challenges them to continuously improve the way we do business, to meet and exceed the needs of our residents, and to carry out their duties in an ethical manner that earns the public trust.

King County Department of Community and Human Services (DCHS) is dedicated to helping our region's neediest residents achieve and maintain healthier and more independent lives and to strengthening our communities.

We are currently recruiting for a Veterans Program Manager (PPM III). This is outstanding professional level position will lead a team of dedicated King County employees serving veterans. This position involving daily program management and supervision of social work and administrative staff at several different sites, development and maintenance of relationships with related veterans service providers and partner organizations, and staffing King County's Veterans Advisory Board.

The King County Veterans' Program serves low-income, often homeless and/or disabled, and at-risk veterans and their families. Direct services are provided at two main offices (Seattle and Renton) and six satellite offices in King County. Services provided at these sites include comprehensive assessment of client issues, financial assistance to stabilize a crisis situation, housing assistance, employment guidance and assistance, case management services, information and referral regarding veterans benefits and other benefits, mental health referrals and other supportive services.

King County offers excellent working conditions and premium benefits! For a complete job description and application instructions please visit our website at:
